Sounds good Kristin – let me know when you have approval and I'll get Ecology's signature.

Thank you both for your responses. I'll be seeking final EPA approval over the next few days – though it may be slow given the holiday.

I'll keep you posted. Ivy, feel free to wait for EPA approval prior to seeking Washington signature if you prefer.

Kristin and Ivy:

Attached is a copy of the MOU with Christie True's signature on behalf of King County.

Thanks for all the effort and work being done on Pillon's property. I understand that the clean-up began on Friday.
